RE: Lancaster Composites, Inc. v. Hardcore Composites Operations, LLC.
C.A. No. : 04-1414 SLR

Dear Judge Robinson

Pursuant to mediation with Judge Thyng on August 30, 2006, a tentative settlement has been reached in this case. Documents are to be drafted and executed by the end of the day on Friday, September 8, 2006.

Due to the pending settlement of this case, I will not be filling a Response to the Plaintiffs Motion for Summary Judgment on September 6th, but will instead focus on execution of the settlement documents. Plaintiffs council has agreed to do the same. If for any reason the settlement is not executed, I will notify the Court immediately and file the appropriate responses.

I am available should the Court have any questions.

Thank You,

Scott Hemphill
